HOW MUCH GREEN IS GREEN?

GUIDO BOGNOLO

WSA Associates | Belgium

REFERENCES

1. For anybody interested in the subject, there is an abundant review of patents on surfactants based on amino acids and protein hydrolysates up to the years 1940ties in the book of Dr. Fr. Müller and Dr. A. Van der Werth "Netz, Dispergier und Waschmittel, III Auflage" Allgemeiner Industrie Verlag Knorre & K.G. , Berlin SW 68 (1940).
