

## XVII CONFERENZA DEL COLORE

12-13 Settembre 2022  
Firenze (Italia)

### CALL FOR PAPER

Special Session on

# Color for Beauty and Cosmetic

Dear colleague,

we are writing you to invite you to submit an original work to the Special session on Color for Beauty and Cosmetic that will be part of the XVII edition of the Color Conference, organized by the Italian Color Group.

Cosmetic culture, science and technology aim at beauty and are a key part in our society. Beauty is a wide topic studied as part of aesthetics, culture, social psychology and sociology and many other fields of research. The focus of the session is color for beauty, cosmetic, hairstyle and every possible application related to these fields.

The international conference will occur in Florence (Italy) on Monday 12 and Tuesday 13 September 2022. Due to the uncertainty about the evolution of the Covid-19 pandemic, it was decided to deliver the conference in mixed mode. Therefore, it will be possible to participate in person (according to the pandemic situation) or online. We aim at organizing this session online so to easily collect contributions from all around the world.

To participate, please submit a title and a short abstract. The deadline to submit an abstract is the 31st March 2022.

Abstract can be uploaded using the EasyChair system, using this link:

<https://easychair.org/conferences/?conf=17cdc2022>

The contributions may be in Italian or English (digital proceedings will be openly distributed in both languages).

More details about the conference and its deadlines can be found in the link below:
